Sir,

SUBJECT - Purchase of Stone ware Pipes from the Surplus Stores

With reference to your letter No. L.S.G. dated 4-2-1919 on the above subject, I have the honour to inform you that the Stone ware Pipes will be utilized for building drains connected with the Cubbon Park Extension and for giving house connections in Jayamahal Extension and for sanitary connections in Lodging Houses in the Industrial Suburb. They will be fully utilized for these several works. The cost is Rs. 0-10-0 per Rft as against Rs. 2-4-0 the present market rate as already reported. It is therefore urgent that these should be purchased for the Trust Board works.

The Chief Engineer for Roads and Buildings was also of the same opinion when this subject came up for discussion at the Board meeting. The Board therefore resolved unanimously for the purchase of these pipes.

3. As regards the provision out of which the cost of the pipes would be met, it may be stated that necessary provision has been made in the estimate of the Cubbon Park Extension, Jayamahal Extension and Industrial Suburb where the use of these pipes are necessary.

4. I request that early orders of Government may kindly be obtained and communicated for immediate action being
